

CLUB FEES

Exceed Futbol Club is a new soccer club in the South of Kansas city. Our mission is to be the best formative youth soccer club in Johnson county by focusing on developing kids through training, leadership, and passion.

Our club fees are structured to be able to accomplish our mission. Soccer in the KC area can be very expensive due to high administration, rental, coaching/directors, uniforms, and travel fees. Which is why when setting our club fees, we came up with 3 main priorities to help families and players.

Budget for a year of soccer | Make it cost effective | Transparent included fees

Registration fees include the following:

Coaching fees, Directors fees, Player, Coach, and Team Staff Registration fees, League fees, Tournament fees, Training facility rental, Extra training opportunities, Club Administration fees.

- Extra training is included in Club fees
- 1 Annual payment in June or 10 payments from June-March (season is from Aug-May)
